

## **HELP US TO HELP YOU!**

Do you run a charity or organisation that operates predominately in West Hunsbury or the immediate local area?

We have a fund set aside that we would like to use to help local charities and volunteer organisations that may be struggling with the current pandemic.

Please apply to us in writing, via email or letter, detailing the issues that your Charity or group face and giving details of the amount of funds that you would like. We would also like to know how you would propose to use those funds to best benefit our residents.

You will need to be a registered Charity or volunteer group and have your own dedicated bank account.

To apply please send the information listed above to –
